I just walk.
No destination.
Just the city.
NYC NEVER SLEEPS
So much life.
So much noise.
So much...something.
BE YOU.
THE FUTURE IS NEW YORK.
POWER. PROGRESS. INNOVATION.
CONNECTED. UPGRADED. ALWAYS ON.
I watch.
People rushing.
Phones up.
Eyes down.
I climb.
Breathe.
See things different up here.
Every block got a story.
STILL DREAMING
Flavor.
Culture.
Energy.
BEST DOGS IN THE CITY
BEET DOGS IN THE CITY
But lately... something feels off.
Like the city ain't just living...
...it's changing.
